## APPENDIX B

### DOCUMENTATION MATRIX

The matrix presented on the following pages correlates documentation requirements from the Department of Education *System Life Cycle Management Manual* with the proposed documentation for EASI/ED. The matrix presents the information listed below.

- **Life Cycle Phase** – *System Life Cycle Management Manual* or EASI/ED life cycle phase for which the documentation is to be produced.
- **System Life Cycle Manual Documentation** – lists all documentation to be produced according to the *System Life Cycle Management Manual*.
- **Type** – either “new” or “update.”
- **Comment** – notes explaining response to documentation requirement if there is not a correlated EASI/ED product during the same life cycle phase.
- **Related EASI/ED Documentation** – the proposed EASI/ED product that corresponds to the documentation requirement.
- **Type** – either “new,” “update,” or “review.”
