

**SFA Modernization Partner Project**  
**LEGACY CONTRACT TRANSITION PLAN**  
Public Inquiry Contract (PIC)  
Executive Summary

**Recommendation**

Contract expired September 30, 1999 – sole source extension was executed through June 30, 2000. “Full and Open” competition was conducted – awaiting award of Performance Based contract for 1 year with at least 3 (1-year) options. Contract awarded May 31, 2000.

Since the PIC contract was just awarded for 1 year plus 3 option years, no action on this contract is necessary at this time. SFA and the Modernization Partner should determine the effects of the Modernization Plan rearchitecture on this contract, if any, and assure that all functionality under this contract is incorporated somewhere in the new architecture. If the new architecture is not complete within 18 months of the end of this contract, new procurement planning should be started at that time.
