Description

The **General** area of the sample documents configuration management and audit trail information concerning this document. The **Summary** area of the sample documents the name, a short paragraph, and a list of keywords that describe the content of this document.

The **Details** area of the sample documents the vendor name, address, telephone, and fax number, as well as the vendor's website address. The **Product** area of the sample identifies the packaged software that is being evaluated and the status of the evaluation. The **Additional Information** area is a free text area that documents pertinent information about the vendor such as, any previous history the sponsoring organization has had with the vendor, their customer base, and the type of support available. The **Reason for Selection or Rejection** documents the sponsoring organization's decision about the use of the packaged software.
