- All transactions in the Booking, Non-Booking and Non-Financial Others batches must contain a Borrower SSN (will require layout changes to DBB)\* .
- All Financial batches should be separated into three types of batches (Booking, Non-Booking and Funds.
- All FBBs that accompany an FLA, must be in the same batch as that FLA and must immediately follow it.
- For transmission that contain FLAs and FLBs for the same loan, the FLAs must precede them within that transmission.
- Multiple FLC and/or FLD (or any combination of the two) transactions sent for a given disbursement on the same day must be in the same batch and grouped in ascending order according to their Disbursement Sequence Number, although that field will not be required.
- Each Financial batch must have an associated General batch, containing a set of 12 GXBs that have the same batch date, time and number.
- General Confirmation transactions going back to SVC can be grouped into one batch.
