	Suggested Changes	Page	Author	Date	Change Made Y/N	Comments
1	I recommend omitting page 10 from the deliverable. We may not want to have the results of your evaluation of eliminated potential partners since the deliverable will be FOIA.	10	M. Haldane	15-Jan	1/17/2001	Slide was removed from presentation.
2	Sources of Potential Partner Information, page six: the deliverable refers to Appendix IV in the Customer Reference Surveys and Past Performance Surveys sections, but Appendix IV is not included. I recommend omitting the references to the Appendix and not adding the Appendix for the same reason as in #1.	6	M. Haldane	15-Jan	1/16/2001	The last sentence was removed from the paragraph. The results of the past performance surveys will not be included as part of this deliverable.
3	Appendix I: I believe the boxes in the third section should be shaded as completed since these steps were completed as of the date of the deliverable 1/10/01.	App I	M. Haldane	15-Jan	1/16/2001	Boxes have been shaded to reflect completion of steps.
4	Change the date on the cover page to 1/10/01.	Cover	M. Haldane	15-Jan		Date on the cover was changed to January 10, 2001.
