

## Integration Partner Integration Leadership Support Achievement Report (Deliverable 151.1.1f) May 2004

### **Executive Summary**

Integration Partner supports FSA's leadership and the actions required to drive the development of FSA's integration program. This report summarizes the internal and external activities for Integration Partner Leadership for the month of May which support the development of integration projects and initiatives.

Major accomplishments during the month of May include:

- The implementation of EZ Audit Release 2.0 into production on May 23<sup>rd</sup>.
- Continued modification of Integration Partner task orders.
- Continued leadership, oversight and input into Integration Partner's internal integration efforts.
- Continued guidance and input into Integration Partner's transition tasks and deliverables.

There are no issues to report for the month of May. However, FSA, Integration Partner, and the new vendor for Integration Transition and Support continue to ensure a smooth transition in preparation for the upcoming June 10<sup>th</sup> turnover milestone for Integration Transition and Support activities.

### **Overall Value Delivered**

#### Integration Leadership Support – FSA

Integration Partner leadership provides FSA leadership and program managers with key leadership oversight, enterprise focus, and strategic direction needed to fulfill the goals of FSA's organization and its integration program.

During the month of May, Integration Partner and FSA leadership continued to meet on a regular basis, yielding the following key outcomes:

- Completed Identity and Access Management Tools Analysis effort (TO 143) on time, on budget and within scope.
- Completed Workforce Alignment activities as of May 28<sup>th</sup>.
- Continued to work with FSA on the COD restructuring effort.
- Consistent work to shape, modify, and approve the multiple Integration Partner task orders.
- Managed delivery of outcomes across all Integration task orders.

#### Integration Leadership Support – Integration Partner

Integration Partner leadership provides the Integration Partner project managers and business and technical architects with key leadership oversight, enterprise focus, and strategic direction needed to fulfill the goals of FSA's integration program. This direction enables broader system integration across

the FSA enterprise. The Integration Partner leadership team also facilitates the alignment of Integration Partner task orders and initiatives with the business and performance objectives of FSA's organization.

Integration Partner leadership provided direction and oversight to the program during the month of May through the following key activities:

- Continued to realign Integration Partner's internal integration efforts, providing program awareness promotion and communication across key integration initiatives.
- Continued to provide guidance and direction to Integration Partner teams to ensure overall program goals are achieved.
- Continued task order alignment.
- Provided contributions to and overall guidance related to the Integration Partner transition activities and deliverables (TO 153).
