Subject: Contract # ED-99-DO-0002
 Task Order # 21.1 Data Warehouse Implementation Strategy
 Deliverable 21.1.3: Quick Hits Decision Support Projects and Implementation Plan
 Business Case

Enclosed is the Quick Hits Decision Support Projects and Implementation Plan. Attached are suggested changes from the reviewers. Future revisions are not planned, but the document will be updated as appropriate.

Suggested Changes/Comments	Page	Author	Date	Change Made Y/N	Comment
This document seems to imply that the current CFO Data Mart design is a permanent solution to the CFO Offices reporting and analysis needs. Also, please clarify the relationship between the CFO Data Mart and the and the reporting and analysis capabilities inherent in the SFA FMS system.	1-8	Linda Paulsen, CFO Office	8/22/00	Y	Added paragraph four to page one to explain the fact that the CFO Data Mart will be supplanted by SFA FMS once it is fully implemented.
All references to "FARS" should be changed to "FMSS". This term is better understood in the CFO Office.	1-8	Linda Paulsen, CFO Office	8/22/00	Y	All references to the Department of Education's financial management system were changed from "FARS" to "FMSS".
