<p><b>1</b> Info About You</p>	<p>This site has been designed to allow blind and low-vision users to complete the FAFSA independently using a web browser and screen reader software. Screen design is consistent throughout the FAFSA on the Web. The text of each question is on the left and the control to respond to the question is on the right. The control is located on the same line as the question (if the question has multiple lines, then the control is on the same line as the last line of the question).</p>
<p><b>2</b> Your Finances</p>	
<p><b>3</b> Your Student Status</p>	<p>FAFSA on the Web uses three basic types of controls for responses, text boxes, drop -down boxes and radio buttons. Text boxes are used for questions that don't have pre-defined responses (such as name, address, income earned, etc.). While these fields allow for free -form entry, only certain values are valid in these fields. For example, only numbers are acceptable in the zip code field. If an invalid value is entered in a text box, you will be returned to the same page, with an error message displayed on the top, and an arrow pointing to the question containing the invalid entry. The focus will be set to the question as well.</p>
<p><b>4</b> Your Parents' Info</p>	
<p><b>5</b> Your Household Info</p>	
<p><b>6</b> Schools to Receive Results</p>	<p>On the left hand-side of each screen is a navigational progress bar that tells you the steps of the process you have completed up to that page. You can navigate backwards to sections already completed in order to check your work throughout the application process. The Review Completed FAFSA step will allow you to double check your answers and will perform a final check to make sure all the data you have entered is valid and consistent throughout. You may be guided to revisit the answer to a question if it is identified as invalid.</p>
<p><b>7</b> Provide Preparer Info</p>	
<p>Review Completed FAFSA</p>	<p>When you are ready to go to the next or previous screen page, please always use the Next or Previous button. The Next or Previous button will guide you to the next or previous page of the FAFSA.</p>
<p>Signatures</p>	
<p>Submit Your FAFSA</p>	<p>At the top of each page, you will find four hyperlinks to "FAFSA Home", "Customer Service", "General Help" and "FAQs". If you select one of these links while you are in FAFSA on the Web, the application will prompt you to save before leaving. If you chose not to save, any information that you have provided up to that point will not be saved and you will need to start over when you choose to come back to fill out the FAFSA.</p>
	<p>Help topics are accessed by selecting the "Help on this Page" button or by selecting hypertext links that open pop-up windows. When you have finished reading the help topic, close the pop -up window (Alt-F4), and focus will return to your main browser window.</p>

Because you have identified yourself as a dependent student in Step 3, you will need to have one parent, whose information is provided in Step 4, provide a signature. There are three ways that your parent's signature can be provided (you and your parent do not have to provide your signatures using the same method):

- **Electronically Sign Later** - Have your parent use his or her U.S. Department of Education PIN to electronically sign your FAFSA later. Your parent will be able to electronically sign your FAFSA later by selecting "Electronically Sign My FAFSA" under the Completing a FAFSA area of the web site.
- **Print Signature Page** - You must have printer access from your current computer to print a signature page. Have your parent sign and mail it to us immediately after submitting your FAFSA, as we will not process your FAFSA until we receive the signature page. **Printing will not submit your application!**
- **Wait for SAR** - We will send you a Student Aid Report (SAR) in the mail that your parent must sign and return to us. We will not be able to complete processing your FAFSA until after we receive your signed SAR in the mail.

[Need help with this page?](#)

Because you have answered "Yes" to at least one of the questions in Step 3, we've determined that you are considered an "**independent**" student and therefore you don't have to answer any questions about your parent(s).

There are a couple of reasons why you might want to answer some questions about your parent(s):

- If you're a graduate health profession student (such as a medical or nursing student), or
- you attend a college that requires parental information from all students, you can choose to answer questions about your parent(s).

- Yes  
 No

Step 4 asks for information about your parents in reference to the year 2000. This information is required for students considered dependent, and optional for the independent students. A student is identified as being dependent if he/she has answered "No" to every question in Step 3.

Select the "Need help with this page?" link for assistance if you are not sure who should provide parental information in this Step. Your parents do not have to file their Income Tax Return Form before filling out this Step. However, if they have already completed their 2000 tax form, it will help complete this section much more accurately and faster.

#### Before you begin Step 4, make sure you have...

- Your Parents Social Security Number(s)
- Your Parents 2000 tax return (if completed)
- Your Parents 2000 W -2 form(s)
- Any other of your Parents financial records for 2000

**If you have these, you are ready to begin Step 4. Please answer the following questions:**

b. these children could answer "No" to every question in Step 3 (Dependency Status)

Other people if they now live with your parent(s), if your parent(s) will continue to provide more than half of their support, and your parent(s) will continue to provide more than half of their support from July 1, 2001 through June 30, 2002:
