<p>1 Info About You</p>	<p>This site has been designed to allow blind and low-vision users to complete the Renewal FAFSA independently using a web browser and screen reader software. Screen design is consistent throughout FAFSA on the Web. The text of each question is on the left and the control to respond to the question is on the right. The control is located on the same line as the question (if the question has multiple lines, then the control is on the same line as the last line of the question).</p>	
<p>2 Your Finances</p>		
<p>3 Your Student Status</p>	<p>Renewal FAFSA on the Web uses three basic types of controls for responses, text boxes, drop-down boxes and radio buttons. Text boxes are used for questions that don't have pre-defined responses (such as name, address, income earned, etc.). While these fields allow for free-form entry, only certain values are valid in these fields. For example, only numbers are acceptable in the zip code field. If an invalid value is entered in a text box, you will be returned to the same page, with an error message displayed on the top, and an arrow pointing to the question containing the invalid entry. The focus will be set to the question as well.</p>	
<p>4 Your Parents' Info</p>		
<p>5 Your Household Info</p>		
<p>6 Schools to Receive Results</p>	<p>On the left hand-side of each screen is a navigational progress bar that tells you the steps of the process you have completed up to that page. You can navigate backwards to sections already completed in order to check your work throughout the application process. The Review Completed FAFSA step will allow you to double check your answers and will perform a final check to make sure all the data you have entered is valid and consistent throughout. You may be guided to revisit the answer to a question if it is identified as invalid.</p>	
<p>7 Provide Preparer Info</p>		
<p>Review Completed FAFSA</p>	<p>When you are ready to go to the next or previous screen page, please always use the Next or Previous button. The Next or Previous button will guide you to the next or previous page of the FAFSA.</p>	
<p>Signatures</p>		
<p>Submit Your FAFSA</p>	<p>At the top of each page, you will find four hyperlinks to "FAFSA Home", "Customer Service", "General Help" and "FAQs". If you select one of these links while you are in Renewal FAFSA on the Web, the application will prompt you to save before leaving. If you chose not to save, any information that you have provided up to that point will not be saved and you will need to start over when you choose to come back to fill out the Renewal FAFSA.</p>	
	<p>Help topics are accessed by selecting the "Help on this Page" button or by selecting hypertext links that open pop-up windows. When you have finished reading the help topic, close the pop-up window (Alt-F4), and focus will return to your main browser window.</p>

- Information in Steps 1, 3, 6 will be prefilled from the last FAFSA user completed
- Social Security number can not be edited
- Left hand navigation will follow how far the user has gone in the application and not the current step that the user is in. For example, if user has filled out through step 5, and returns to step 1, then the left hand navigation will allow the user to link all the way up to step 5.
- When user is filling out application and chooses to link to another portion of the application (left hand side links or page links on the right hand corner of app), then the information on the application page not yet submitted must be saved temporarily.

- Links to content outside the application on these application pages will need prompt user to save application before they allow user to leave application site. Requirements for this function need to be addressed.
- "Exit" button will prompt user for save before exiting application.
- User will not be able to alter their DOB or Social Security number as this information is collected in the login process. These fields will be uneditable.
- When the user is correcting information in the application in "Review Completed FAFSA", the submission button needs to return to the "Review Completed FAFSA" page, NOT the next page of the application (Replace "Next" and "Previous" buttons with a button called "Return to Review Completed FAFSA".)
- Each step is coded as a different color, these colors are only meant to differentiate steps within wireframes are not meant to dictate the colors that should be used in the creative concepts.

Step 4 asks for information about your parents in reference to the year 2000. This information is required for students considered dependent, and optional for the independent students. A student is identified as being dependent if he/she has answered "No" to every question in Step 3. Select the "Need help with this page?" link for assistance if you are not sure who should provide parental information in this Step. Your parents do not have to file their Income Tax Return Form before filling out this Step. Electronic Filing Instructions

Submitting your Renewal FAFSA on the Web is only one step in completing the FAFSA application process. In order to complete this process, please review and complete the following instructions.

If you have access to a printer, you may also want to print a copy of these instructions for your records using the [Printer-Friendly version of this page](#).

Please follow these necessary steps for completing your electronic filing:

1. Submit and Receive Confirmation

On the next couple of screens you will have the opportunity to submit your Renewal FAFSA. Once your submission is successful, you will receive a confirmation page from the Department of Education. Please remember to do one of the following:

- If you have access to a printer, print this page out and keep for your records. This confirmation page is proof that you've successfully submitted your application.
- If you do not have access to a printer, write down the confirmation number and keep for your records.

2. Provide Signatures

3. Receive and Review Your Student Aid Report (SAR)

You should receive your SAR in two to three weeks after filing your application. Review the SAR carefully. If you need to make additional corrections, go to Corrections on the Web at www.fafsa.ed.gov.

In addition, these tips will help you through the FAFSA process:

Tip 1: Keep copies for your records

It is important to save copies of the following documents so you may refer back to if necessary:

- Final copy of your application information
- Electronic Filing Instructions
- Confirmation page or number
- Student Aid Report (SAR)

Tip 2: Check Status of your Application

We recommend you check the status of your application:

- You can check as soon as you submit the application, at www.fafsa.ed.gov.
- Check in one to two weeks to see if we've received the necessary signatures and processed your application.

Tip 3: Visit with your Financial Aid Office

Your financial aid administrator may be able to provide you with more information on federal, state and other types of financial aid programs available to you.

When you are finished reviewing these instructions, select the "Next" button below.
