

Initial Career Zone Curriculum

June 29, 2001

The Career Zone is envisioned as a central point of access for SFA staff to obtain the learning and career development resources they need to maximize their potential and contribute to the success of SFA. The center is sponsored by both SFA Human Resources and SFA University and will support all employees in taking advantage of the career opportunities created by SFA's ongoing transformation.

The Initial Career Zone Curriculum is designed to generate interest and demand for the Career Zone by procuring and customizing a set of service offerings that meet the most immediate learning needs and interests of staff. This document provides a descriptive overview and schedule of the initial offerings that have been proposed to date.

This package includes the following:

Overview of Initial Career Zone Curriculum

The Overview of the Initial Career Zone Curriculum includes a descriptive overview and tentative schedule of the initial Career Zone service offerings.

Career Zone Campaign Calendar

The Career Zone Campaign Calendar, developed as part of the initial implementation of the Career Zone, has been revised to include those communications designed to promote the Career Zone Initial Curriculum. It includes key messages and timing for all communications, as well as dates for significant events such as Road Shows and service offerings.

Knowledge Network Program Outline

This document provides a brief outline of the Knowledge Network Program that the Career Zone is developing to enable staff to tap into the significant expertise that exists within the organization by connecting staff that have institutional knowledge with peers who seek that knowledge.
