	Award Log-In					
1	Open Internet Explorer Browser from Desktop	Internet Explorer Opens				
2	Enter <Admin CB URL> development environment - http://dev.cbs.sfa.ed.gov:8531/CBSWebApp/admin/adminWelcome.jsp test environment - http://test.cbs.sfa.ed.gov:8532/CBSWebApp/admin/adminWelcome.jsp	The System displays the Enter Network Password pop-up screen. The user is asked to enter a username and password for the VDC environment.				
3	Type <cbs> as your username and <*****> as your password password = cbsdev for development environment password = cbstest for test environment	Field accepts value (this step is for test purposes only and will not be necessary in production)				
4	Select <OK> button	The system displays the Campus-Based Admin Login page. In the center of the page is a Login button. There is a following instruction notifying the Admin User how to proceed: "Welcome to Campus-Based Administration. To access the Campus-Based Admin site: 1. Select the "Login" button, 2. Enter your PIN information. The PIN serves as your identifier to let you access information in systems for the Department of Education. If you do not have a PIN, go to the Department of Education PIN Registration site to apply, 3. Enter the Campus-Based Admin TG Number, 4. After login authentication is complete, the Campus-Based Admin home page will be displayed." If your security rights have not yet been established, contact the CB Security Officer at the Campus-Based Programs office.				
5	Select <Login> button	Admin Users who have their browsers set to display a security warning will see a security message. If so, click 'OK'. The System displays the Enter Network Password pop-up screen for the CPS PIN environment.				
6	Type <integrate> as your username and <pin1026> as your password	Field accepts value (this step is for test purposes only and will not be necessary in February)

16	Select the <A. Calculate Simulations> link from the left navigation bar	The System displays the Awards - Calculate Simulations page. There are two columns labeled Type and Program. Under Type are radio button options for Tentative (Default), Final, Supplemental (Reallocation), and Perkins Service Cancellations (TC). Under Program are radio buttons for All (Default), FSEOG, FWS, and Perkins. There is an open text box labeled Description. There is an Update Parameters button and a Calculate button. The Tentative and All radio buttons will be populated with a black dot.				
17	Select the <Final> Radio Button under Type	Field accepts value				
18	Enter <F1 - Testing Award Functionality - All three programs, Final, Standard Parameters> in the description box	The description box is populated with the information.				
19	Select <Calculate> Button	The System displays the A. Calculate Simulations - Confirmation page with the following text, "Simulation calculation started. It will take approximately 30 minutes to complete your simulation calculation. After the calculation is complete, you may view your simulation by selecting the B. Generate Awards button on the left navigation bar. Your simulation name will include your User ID, along with the date and time the simulation was completed."				
20	Select the <A. Calculate Simulations> link from the left navigation bar	The System displays the A. Calculate Simulations page. While the simulation is running, a line of red text is displayed that reads "A simulation is currently being calculated. Please run your simulation at a later time."				
21	Wait approximately 20 to 30 minutes	The simulation will complete.				
22	Select the <A. Calculate Simulations> link from the left navigation bar	The red text is no longer displayed
