

Status of Actions Identified From Last Meeting

Action from 2/7/02: Karen Anderson and Michael Bruce will update the data encryption “Recommendation Summary” to be renamed the “Recommended Guidelines Summary”.

Action from 2/7/02: Karen Anderson will receive Single Sign-On documents from the IPT team and distribute them to the AWG for discussion.

Action from 2/7/02: Karen Anderson will incorporate the data encryption recommended guidelines into the Technology Policy Guide in the April 7, 2002 iteration.

Action from 2/7/02: Michael Bruce and Andy Boots will include a reference about the data encryption recommendation guidelines into the system security assessment instructions.

Action from 12/20/01: Paul Stonner will seek GM guidance to see which GM will sponsor the Consistent Data initiative.

With the summer months upon us, it makes sense to change the day of the AWG meetings from Thursday's 11:00 – 12:00 to Wednesday 2:00 – 3:00.

Are there any objections?

No - This will go into effect beginning Wednesday April 10. Please mark your calendars accordingly.
