Reports from GIGA

- ◆ Profound Changes Coming in the Way We Work - Birth of a new way in which businesses organize themselves, away from traditional lines of business.

Profound Changes Coming in the Way We Work

- ◆ The PC
- ◆ Grid computing
- ◆ Embedded collaboration
- ◆ Voice browsing
- ◆ Giant steps for wireless
- ◆ Secure mobility

Key Points to Remember

- ◆ It took a century for telephones to be in every household
- ◆ TVs and VCR are now household appliances
- ◆ Home computers are now in only 61% of households
