

Appendix Section

This section provides a collection of supplementary materials and reference documentation. When developing a new training program, these resources are necessary to align the training course with the FSAU standard policies and format guidelines. Additionally, the appendix presents additional content to support the team's development of a training course.

The appendix includes:

- Instructional strategies
- ED memorandum - *Use of Appropriated Funds for Gifts and Awards*
- Create a job aid
- FSAU style guide
